Why do we keep records?

Keeping records is an important part of any project but especially for an animal project. If you don't keep any records, then you don't know if you made money (profit) or lost money (loss) at the end of your project. If you continue your project, you can look back on what you did the year before and how you can change or improve your project.

GENERAL RECORDS

What breeds are your chickens?

On what date did you take ownership of your chickens?

What do you plan on doing with your remaining chickens after the show and auction are over?

Circle the breed you will be bringing to the 4-H Chick Chain Show and Auction:

Pearl White Leghorn Rhode Island Red Dominique

Golden Laced Wyandotte Polish Top Hat Buff Brahma

If you are unable to participate after turning in your portfolio, contact your 4-H Agent.

My 4-H Project Experience
