

2018 Northwest Florida 4-H Chick Chain Project

Join us in the 2018 Chick Chain project and raise chicks to show and sell.

In the Chick Chain Project, youth will select 5 chicks from two different breeds for a total of 10 chickens. After raising the chicks for 21 weeks, they will participate in a show and showmanship contest and then an optional auction.

The Chick Chain Project is open to all 4-Hers from ages 5 to 18. The cost is between \$50 and \$60 for first time participants who plan on buying a set of chicks, and \$5 for returning participants who plan on using their chickens from last year's project. Youth can also get a t-shirt for \$12 more.

Registration opens on February 1st and closes February 28th. So hurry on over to 4honline.com or contact you county 4-H Agent to register today!

In the Chick Chain Project, 4-Hers will learn:

- poultry nutrition and care to produce healthy chickens
- communication skills
- basic business practices
- record keeping skills
