

Heidi Copeland

Extension Agent I

(850) 606-5203

copelandhe@leoncountyfl.gov

615 Paul Russell Road

Tallahassee, FL 32301

Educational Program Focus:

- **Food, Nutrition and Wellness**

Extension programs in food, Nutrition and Wellness educate and promote a lifestyle that contributes to overall quality of life.

- **Sustainable Living Education**

Extension sustainability education lends itself to a multidisciplinary approach that engages individuals and communities in sustainable living education.

- **Child Development and Parenting**

Child development education provided by Extension assists child care providers with innovative, relevant educational opportunities to learn new skills and increase knowledge.

- **Family Economic Stability**

Extension is helping to educate its citizens to become more sophisticated in their financial decision making skills. Participants gain knowledge and learn skills needed to make behavior changes that will improve their quality of life.
