District I PIT Meeting  
April 16, 2008  

Present: Marcus Boston, Suzanne Wilson, John Lilly, Paula Davis, Sara Shepherd, Yolanda Goode, Niki Crawson, Kay Brown, Julie P. Dillard, Vicki Mullins, Tracy Tesdell, Monica Brinkley, Sara Shepherd, Yolanda Goode, Niki Crawson, Kay Brown, Julie P. Dillard, Vicki Mullins, Tracy Tesdell, Monica Brinkley  

Kelley opened the meeting by stating that we needed to determine who would serve in the following positions: Chair, Co-Chair and Secretary. The following agents were selected: 

Chair: Yolanda Goode  
Co-Chair: Jennifer Heady  
Secretary: Julie Pigott Dillard  

Yolanda called the meeting to order by asking for reports from the group and discussion items.  

Marcus - Shooting Sports Training  

- Leon County will host a Shooting Sports Training on May 28 & 29 in Tallahassee.  
- It will be a full day training on the 28th and half day on the 29th.  
- You must be there the entire time to get certified.  
- Cost will be determined and emailed out by Marcus and posted on the District 4-H webpage  
- Agents and Volunteers are welcome  

- Kelley added that Gus Kohner would have a training for 10 or more if we could get a group together.  
- Suzanne added that Jennifer Williams is getting certified and asked about the possibility of getting a national training here.  
- Paula added that the Volunteer Forum and a shooting sports training would be a possibility again. We will plan and discuss that on May 9th.  

Kelley – District PIT Meeting  

- Friday, May 9 at 10 am at Timpoochee  
- Do a TAR and carpool  

Monica – AgVentures Days  

- Held in October 2009 at the NFREC in Quincy.  
- If you would like to participate in the program, contact Monica.  
- Contact your schools to see if it is an option as a field trip.  
- There will possibly be a script if the NFREC staff is unavailable.  
- There is a teacher packet to use prior to trip  
- Kelley will assemble a marketing packet  
- Monica will pull the Sunshine State Standards to document the event
Monica – After School Kits

- Monica, Heather and Kelley wrote a grant to develop an after school kit that will be shared with each county.
- Program areas include Natural Resources, Citizenship, Healthy Lifestyles and Science/Engineering/Technology.
- 6-8 grade kit and 3-5 grade kit

Kelley – update on enrollment database

- Assured us that the database is user-friendly and will produce reports that are usable.
- The database must be purchased from Texas and tweaked to produce the data that FL tracks as FL and TX track very different information.
- The program is parent/leader based via online enrollment.
- A person creates an individual login and password to enroll.
- Agents are able to input data if a individual password is created for each member.
- Until further notice, the pilot trainings are postponed.

Kay – Bat House project

- A new Bat House has been erected at Langley-Bell 4-H Center in Escambia County.
- Curriculum research is on-going.
- Smaller versions of the Bat House can be created for Camp Timpoochee.

SET Workshops at Congress

- They are for both competing and non-competing kids
- Descriptions are available online on the Congress site.
- Sponsored by Ag Engineering Department.
- SET is federally mandated for state 4-H programs.

Due to time constraints, Yolanda adjourned the meeting.
