### Educational Program Focus:

- **4-H Life Skills Development**

Leon County uses a variety of program delivery modes to teach life skills to youth including community clubs, project clubs, workshops, camps, and other educational events.

- **Volunteer and Club Development**

Leon County 4-H provides quarterly trainings and certification programs in order to provide safe and secure environments for 4-H youth. Additional subject matter certification training is required for all 4-H shooting sports instructors, camp counselors as well as chaperones.

- **Organizational Strategies to Support Youth**

Creating opportunities for youth and volunteer recognition, assuring access, equity, and affirmative action, and communicating effectively with youth, volunteers and stakeholders are effective strategies used by Leon County 4-H to provide an efficient and effective delivery of its overall program.
