- □ <u>ORIGINAL</u> breed registry papers

Your knowledge- Be familiar with your animal so that you are prepared to answer any questions the judge may ask. Look over your feed record and record book.

Good sportsmanship! Remember to both win and lose gracefully.

Be sure to label your items with your name. Consider laminating your packing list and keeping it in your show box with a dry-erase marker. That way, you can check the items off as you load them into your box or trailer. Being prepared will help you be less nervous and make your experience much more enjoyable. See you at the fair!
