

2017 Northwest Teen Retreat

Workshop Descriptions

Last year, you spoke and we listened to what you wanted to learn at Teen Retreat! Explore 4-H with one of these workshops planned for teens, by teens. There are 20 slots available for each workshop on a first-come, first-serve basis. The sooner you register, the more likely you are to get your first choice.

- Shooting Sports-** Brush up your shooting sports skills with this fun workshop and challenge your agent to a shooting match!
- Sports Fishing-** Explore Timpoochee's marine lab and perfect your casting technique as you fish in the Chocwhatatchee Bay.
- Arts and Crafts-** Let your creativity flow and make a lovely spring craft that you can keep or give as a gift.
- Dance and Drama-** Learn all the popular camp dances during this workshop so that you will be prepared for the dance Saturday night. Also, loosen up with some impromptu drama exercises.
- Outdoor Cooking-** Learn how to cook a hearty meal over the campfire. This workshop is just as delicious as it is fun!
