TCIA's Tree Care Academy Chain Saw

Specialist course is designed to train Tree  
Care workers in hazards, as well as accepted  
practices for chain saw operation and other  
associated tasks.

The course, which is built for crew mem-  
bers, will increase involvement with overall  
safety compliance and self-policing.

**PPE REQUIRED**

This workshop is being funded in part by the Arborist Safety Training Institute

**ASTI** ARBORIST SAFETY  
TRAINING INSTITUTE
