2023 Farm Bill

Current Farm Bill Expires September 30, 2023

We Have

- **Ag Risk Coverage/Price Loss Coverage**
- **Reference Price \$535.00 per ton**
- **Separate payment limit for peanuts**
- **Storage and handling paid by USDA/CCC**

2023 Farm Bill

Congress intends to pass a new Farm Bill by the end of the year.

1. Increase reference price
2. Voluntary base update
3. Protect separate payment limits
4. Protect storage and handling
