

How to Log and Report Harvested Deer and Wild Turkey

What options are available to log and report harvested deer and wild turkey?

Option A – Log and Report (Steps 1 and 2) on a mobile device with the FWC Fish|Hunt Florida App or at GoOutdoorsFlorida.com prior to moving the deer or wild turkey.

Or

Option B – Log (Step 1) on a paper harvest log prior to moving the deer or wild turkey and then report (Step 2) at GoOutdoorsFlorida.com or Fish|Hunt Florida App or calling 888-HUNT-FLORIDA (888-486-8356) within 24 hours.

Who is required to log and report harvested deer and wild turkey?

All hunters, including those exempt from license and permit requirements, must log and report harvested deer and wild turkey. Hunters exempt from license requirements who do not have an FWC customer ID number (CID) can obtain one at GoOutdoorsFlorida.com.

When must hunters log and report harvested deer and wild turkey?

Hunters must log their harvested deer and wild turkey before moving it from the point of harvest, which is the point where the hunter located the harvested animal.

Hunters must report harvested deer and wild turkey: 1) within 24 hours of harvest, or 2) prior to final processing, or 3) prior to the deer or wild turkey or any parts thereof being transferred to a meat processor or taxidermist, or 4) prior to the deer or wild turkey leaving the state, whichever occurs first.

What are the rules for transferring deer or wild turkey after reporting the harvest?

1 Harvested deer and wild turkey must be logged and reported through the FWC's harvest reporting system

2 The deer or wild turkey, or portions or parts thereof, must be labeled with the harvester's name and harvest reporting confirmation number

3 Labeling must remain on the deer or wild turkey, or portions or parts thereof, until final processing or until stored at the permanent residence of its possessor*

*As an alternative to labeling, a processor may use a logbook and numbering or other tracking system. The logbook must contain the same information as the label and be kept on the processor's premises.
