

Daniel Leonard

County Extension Director

Ag & Natural Resources

850-674-8323

d.leonard@ufl.edu

20816 Central Ave. E., Suite 1

Blountstown, FL 32424-2295

Educational Program Focus:

- **Agriculture/Natural Resources**

Provide education and consultation to agriculture producers in the county. Offer opportunities to gain required CEUs and perform examinations to maintain licensure for pesticide applicators.

- **Horticulture**

Provide education and consultation to residents and horticulture professionals in Calhoun County, with emphasis on home gardening and lawn/landscape maintenance. Coordinate the county Master Gardener volunteer program.

- **CED Leadership**

Lead, manage, coordinate, and report on the total county extension program. Maintain and build effective relationships with advisory committees, stakeholders, county government, community leaders, media, residents and UF/IFAS faculty, staff and administration.
