

Robert Jones

County Extension Director

Extension Agent III

850-875-7255

r.jones1@ufl.edu

2140 W. Jefferson St.

Quincy, FL 32351

Educational Program Focus:

- **Technology and Production Innovations in Agriculture:** The agent works to ensure Gadsden County Farmers are equipped with knowledge of new technology approaches to agriculture production to increase efficiency, productivity, and compliance for 21st century agriculture production.
- **Agriculture Awareness:** The agent works to increase agriculture awareness of youth and adults to increase agriculture literacy. The Agent fosters this through educational programs to increase awareness and understanding of the production systems of agriculture.
- **Extension Leadership:** Provide leadership as the County Extension Director. Lead a team of faculty and staff and provides direction for the total Extension program in Gadsden County. Maintains and builds effective partnerships with local elected officials, community civic organizations, advisory board, and community stakeholders.
