2010 County Impacts and Outcomes

Educational Program Focus:

Program Responsibilities: This agent is responsible for planning, organizing, implementing and evaluating all Extension Programs in Jefferson County. This includes training volunteer leaders, establishing new 4-H clubs, training youth, implementing school enrichment projects, and overseeing the Overall Extension Advisory Committee.

Jefferson County 4-H Youth development provides diverse, enjoyable experiences through leadership, citizenship, teamwork, and hands-on learning opportunities. This agent develops the whole person by meeting the diverse needs of individuals from a wide variety of backgrounds to build a strong and productive youth program.

Administrative: Provide administrative leadership to three staff and one faculty member in the Jefferson County Extension Office.
