hughson@ufl.edu

Educational Program Focus:

Family and Consumer Sciences Programming in the Northwest District:

- Lead, implement, teach, and evaluate districtwide and statewide Family and Consumer Sciences programs, including serving as co-chair of Initiative 5: Empowering individuals and families to build healthy lives and achieve social and economic success.
- Mentor and support county FCS faculty in the district and throughout the state. Plan, implement, and teach professional development in-service trainings and support county faculty in developing leadership skills to advance professionally through the tenure and promotion system.
- Implement statewide programs and policies in collaboration with priority work groups and action team including the development and implementation of FCS common measures and lead the culinary action team.
- Serve as project leader on sponsored projects and developed partnerships to support FCS Extension programs, including leading Farm Resilience and Mental Health funded projects.
