

Libbie Johnson

Agriculture / Aquaculture Agent

850-857-2313

libbiej@ufl.edu

5259 Booker Lane

Jay, FL 32565

Educational Program Focus

- **Santa Rosa County Sustainable Agriculture**

Provide research-based information to the 725 farmers who manage nearly 90,000 acres of traditional row crops and pastures. To reach the varied audiences, agent utilizes production conferences, multi-session schools, field days, Panhandle Agriculture Extension blog, Extension website, social media and individual consultations.

- **Utilization and Conservation of Natural Resources**

Provide programs and information to wildlife enthusiasts who lease/own land to hunt and fish, and consultations for fish pond management.

- **4-H, Youth, and Adult Agriculture Awareness**

Connect our urban population with the diversity of agriculture in this county and help them to understand the role of agriculture in our economy.
