

Ian Stone

Extension Agent II, Forestry

Phone: 850-892-8172

Ian.stone@ufl.edu

732 N. 9th Street

DeFuniak Springs, FL 32433-3804

Educational Program Focus:

- Forest Management and Advanced Silviculture Practices- Serve landowners and the timber industry by providing information and technology flow on forest management and techniques.
- Non-timber forest products and resources/Eco & Agro Tourism Enterprise- Look for opportunities to capture forest value beyond standing timber, and provide training and workshops in these areas.
- Forest and Forest Community Economic Development- Forests cannot be separated from the communities they support; by working together we can better realize the economic and intrinsic values that forests provide

Work Experience:

- 10 Years 2012-2022 Florida Forest Service-Blackwater Forestry Center
- 1 Year 2011-2012 Forestry Instructor-Reedley College Reedley, CA
- 2 years 2009-2011 Graduate Research Assistant- University of Maine,
- Alabama Registered Forester-RF License #2390

Education:

- 2011-Master of Science in Forest Management, University of Maine, Thesis Title: *Innovation in Maine's Logging Industry*
- 2009-Bachelor of Science in Forestry, Louisiana State University, Concentration: Ecological Restoration
