**850 606-5200**

[younga@ufl.edu](mailto:younga@ufl.edu)

**615 Paul Russell Road**  
**Tallahassee, FL 32301**

### **Educational Program Focus:**

To promote healthy and sustainable lifestyles by working closely with county residents to develop and implement educational programs that promote healthy living, financial management, food and nutrition, and other relevant areas. These responsibilities include:

1. Designing and deliver educational programs that cater to the needs of the community, developing program materials, coordinating, and delivering workshops, and evaluating the effectiveness of the programs.
2. Building strong relationships with members of the Leon County Community by working closely with community groups, schools, local organizations, and other stakeholders to identify needs and develop programs that meet those needs.
3. Meeting with Family and Consumer Science Advisory Committee to collect input on community needs and program planning.
4. Support 4-H and other extension programs and activities
