

## Michael Young

County Extension Agent/4-H - Jackson  
Northwest Extension District

### Profile

As the new Jackson County 4-H Extension Agent, I look forward to using my skills and abilities to assist the 4-H clubs of Jackson County as they grow and promote youth development.

As a former 4-H club member myself, I am aware of the value that 4-H development programs bring to Jackson County. From agriculture, to livestock, to engineering, 4-H clubs expose youth to a plethora of activities that will help them develop into interesting, well-rounded adults.
