

# Nicole Crawson

Walton County 4-H Extension Agent III, 4-H  
Northwest Extension District

## Profile

As the UF/IFAS Walton County 4-H Youth Development Agent, I have developed specializations and shared expertise in the areas of healthy living and mindfulness and leadership development and STEM.

I serve on several committees and workgroups including the National Association of Extension 4-H Youth Development Professionals Creating a Healthier You Committee; UF/IFAS FL 4-H Initiative 7 Volunteer Action Team, Risk Management Team, Junior Counselor Team and Science Action Team.

I enjoy the study of personality styles and their effects on interpersonal communication which has led me to become a Real Colors® Facilitator. In addition, I am a Brain and Motivational Profiler.

## Educational Programs

**Program Title: Volunteer and Organizational Systems in Walton County 4-H**  
Provides leadership of educational programs for the community by recruiting, training, and cultivating relationships with youth and adult volunteers. Guides volunteers in assimilating appropriate policies, procedures, and safety protocols aligned with UF/IFAS Extension standards which enables volunteers to execute and assess research-based learning initiatives, fostering positive youth development. Collaborates with local individuals, businesses, and organizations to enhance their understanding and capabilities in advocating for the UF/IFAS Walton County 4-H program.

**Program Title: Life Skills Development Through Subject Matter Experiences**  
Leads initiatives in programming for the development of essential life skills through the 4-H experiential learning process. Programs utilize supportive mentors to empower youth with the expertise and life skills essential for them to become independent and successful members of society. The core areas of focus within life skills development encompass Healthy Living, Science, Technology, Engineering, and Math (STEM), and Citizenship. These are cultivated through mastery and observable shifts in behavior.
